

MG Talks: Big & Small Iain Kerr, CEO-Ocean Alliance Advances in Whale Research

THURSDAY, MARCH 2, 2017, 7:00 PM

Join Dr. Iain Kerr to dive & fly into the world of whales & drones. Iain has spent the last 30 years running expeditions around the globe, from well-known locations such as the Galapagos to the almost unexplored North Coast of Papua New Guinea. New technologies developed at Ocean Alliances Tarr and Wonson Paint Factory headquarters are giving us insights into the lives of whales like never before, so hang on it might be a bumpy ride.

Admission is free of charge through the generous support of the Ellis Family Foundation. Donations are welcome at the door. Space is limited. Register to reserve your space!
