Current Workforce Challenges

Solutions for the Existing Labor Market

Please join the Greater Cape Ann Innovators Collaborative for a free expert panel discussion on Current Workforce Challenges and solutions for the existing labor market. Our panel of experts will be presenting innovative strategies to recruit, retain and develop the workforce. Each presentation will be approximately 15 minutes. There will be a question-and-answer period and open discussion following the presentations.

PANELISTS

- Jason Andree, Vice President, Addison Gilbert Hospital
- Neil Costa, CEO, HireClix
- William Heineman, President, North Shore Community College
- Kathy Low, Director of Human, Resources, Applied Materials

Light appetizers and cash bar will be offered. Registration is required for this FREE event.
